

A CHILD HATES OIL, CALOMEL, PILLS FOR LIVER AND BOWELS

GIVE "CALIFORNIA SYRUP OF FIGS" IF CROSS, SICK, FEVERISH, CONSTIPATED.

Look back at your childhood days. Remember the "dope" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach; and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

GIRLS! HAVE A MASS OF BEAUTIFUL HAIR, SOFT GLOSSY WAVY

25-CENT BOTTLE DESTROYS DANDRUFF AND DOUBLES BEAUTY OF YOUR HAIR.

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it thru your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all you surely can have beautiful hair and lots of it if you will just try a little Danderine.

EAT WITHOUT FEAR OF INDIGESTION OR SOUR, ACID STOMACH

INSTANT RELIEF! "PAPE'S DIAPESPIN" ENDS YOUR STOMACH TROUBLE FOREVER.

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapiespin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women to-day know that it is needless to have a bad stomach. A little Diapiespin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapiespin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

The best way to make a girl marry a no-count man is to have her people knock him every day in the week. If they came to her and praised him every day she wouldn't have any use for him.

Kentuckian Robbed

Lexington, Ky., Feb. 17.—Word reached here that Edward Noland, who recently had been awarded \$11,000 for damages sustained in a railroad accident, had been robbed of almost the entire amount at his home near Eubanks, Ky., last night.

Noland had just collected the money, and after paying his attorney had taken it home with him and placed it under his pillow. He and his family were chloroformed while asleep, the report says.

If he had put his money in our Bank he would not have lost it.

OBITUARY.

George Cyrus, daughter of J. M. and Mintie Cyrus, was born in Lawrence county, Kentucky, January 3, 1896, died at her home near Pickerington, Ohio March 10, 1916, aged 20 years, 2 months and 10 days. She professed faith in Christ and united with the church in the year 1915, and was a very useful and earnest christian. Her gentle christian spirit will ever be a silent and effective teacher. Her life was a life of love and devotion. For a number of weeks previous to her death she was a great sufferer, but the fortitude with which she endured until the end will ever be a benediction to those who visited and ministered to her. Although so young death to her no frightful foe; her only regret was that her loved ones would grieve for her. She embraced her father and mother and then requested her uncle to pray that she might fall asleep in the arms of Jesus and be at rest. The funeral services were held at the M. E. Church in Pickerington Monday, March 13, at 2 p. m. The funeral corte-

age was an unusually large one, the entire Pickerington High School of which she was a member being in attendance. The pall bearers were selected from her class and schoolmates. Her body was buried in the Pickerington cemetery beneath a mound of flowers.

MRS. O. V. B., Columbus, Ohio.
